## Head Lice Alert

It is that time of year again – check your child's head!

## Parent hours – serve by shoveling our front steps and sidewalk!

We have a snow removal service that does the parking lot but they also charge to shovel the front of the school. On days there is just a bit of snow our kids give us a hand but it could save us some money to have someone willing to take on the walkways. If you are interested in helping out in this manner just call the office and let us know. 262-6550

*If you're thinking of a Christmas gift for your teacher, they always love getting classroom supplies – interesting paper, artsy things, markers, prizes ... chocolate!*

This may be the only newsletter until NEXT YEAR! Have a wonderful Christmas, a relaxing vacation and happy New Year!
