Jan 9th Early out for Hibbing
Jan 21st No school – teacher work day
Jan 23rd Report cards go home
Jan 28th 8:45 All school chapel – Join us!
Jan 29th Fourth grade NAEP testing

Christmas Tea

WOW! What a great program! I am so proud of our students and as their parent, I'm sure you are too. They worked hard at memorizing their lines, practicing their songs, making decorations, and it showed ☺ If you still need copies of the program, let the office know, they are available for a \$10.00 donation.

It has come to my attention, that when we say we are having an "All school chapel," parents didn't know that they could come too. This is certainly not mandatory, just another opportunity to see your school in action, spend time with your kids and join in a chapel experience.

The Nation's Report Card

National Assessment of Educational Progress

Our 4th-graders have been selected to participate in the *National Assessment of Educational Progress*, NAEP, testing. They will represent thousands of other private school students across the United States. Do you have any burning questions about NAEP and your child's involvement? Learn the answers to your questions and more by going to: <http://1.usa.gov/1rnbygh>.

Not to keep nagging, but... We could use some lunch time parental involvement. We have two ladies that take turns in the kitchen getting everything on trays and ready for kids to eat hot lunch, but just a person to help open milk cartons, keep them eating (quietly),

and encourage them not to throw away foods would be such a help. We want teachers to have a few minutes to themselves to also eat and if we don't have adult helpers, they don't get a break all day.

Your help from 11:15 – 12:15 would be such a blessing to us. Choose a day a week or a day a month and join us for lunch. Call the office at 262-6550 to let us know what days you want!

Hope your year is off to a good start,

Pastor Tessie
