Report Cards went home today. **INSIDE** them are **two other important items**. Rigatoni Tickets and a Parent Service Hours report.

**RIGATONI FEED**

It's time to start selling tickets for VCA's 10th annual **Rigatoni Feed**! This year, we will be having a contest between these four teams: King's Kids & Kindergarten, 1st & 2nd graders, 3rd-5th graders, and Secondary students.

There are about 20 students on each **team**. The team that sells the most tickets will win a special field trip! If there are students in multiple groups within one family, the family's ticket sales will be divided evenly among the students (unless otherwise noted).

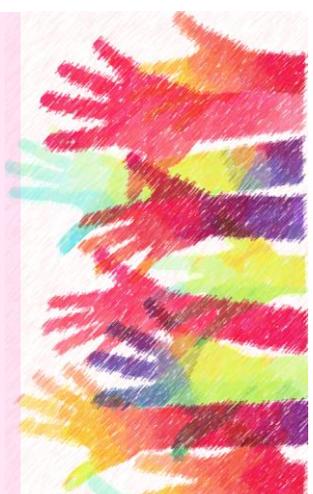

There will also be a \$50 gift card for the **individual student** that sells the most tickets!

Each family is being sent home an envelope with 10 adult tickets and 5 child tickets the envelope is worth \$115 so don't lose them! You will need to either return the tickets by February 27<sup>th</sup> or sell the tickets and turn in the money.

Just for clarification, anyone can buy a child ticket – they will get a smaller portion. Some children may need an adult ticket, some adults may want a child size. If you need more tickets stop by the office and we will be happy to give you more. Happy selling!

Many of you are great at remembering to sign in your **parent service hours**. Instead of waiting for the end of the year, we thought it might be helpful to know where you are at half way through the year. We added up all the hours that we have and sent them out with your kids. I am not saying that they are 100% accurate, but those are the hours we have written down. The **Rigatoni and bake sale** will both need lots of volunteers so don't worry there are still lots of opportunities to get them in.
